OUR RECEPTION CHILDREN

A GENTLE START

We provide time to settle as their own group, building routines, relationships and confidence.

LEARNING TOGETHER

They also learn alongside older peers, where they are guided, supported and inspired by positive role models.

EXPLORE AND LEARN

Our high-quality play-based approach, *Explore and Learn*, continues to be at the heart of their learning.

A SMOOTH TRANSITION

This approach ensures a happy, supported start and a strong foundation for their journey ahead.

Every Child
at the Heart
of Everything
We Do

We teach children at their stage, not just their age.

Carefully planned teaching, small group work and quality interactions ensure that every child is supported, challenged and making strong progress.

OUR KEY STAGE 1 CHILDREN

FULL CURRICULUM ACCESS

Children access the full National Curriculum through focused teaching and targeted small group work.

POSITIVE ROLE MODELS

As they develop, they take pride in being positive role models for their younger peers.

EXPLORE AND LEARN

They continue to access *Explore and Learn*, applying their knowledge through practical, meaningful experiences.

GROWING AND ACHIEVING

As children develop, there is an age-appropriate increase in more formal styles of learning, building the skills, confidence and resilience they need for the next stage.

THE BENEFITS FOR ALL CHILDREN

STRONGER RELATIONSHIPS

Friendships across ages build a caring school family.

LEARNING FROM ONE ANOTHER

Children inspire, challenge and support each other.

INDEPENDENCE & CONFIDENCE

Children take ownership of their learning and grow in resilience.

PERSONALISED LEARNING

Teaching matches each child's needs, stage and next steps.

VALUES IN ACTION

Our PRECIOUS values are lived and learnt every day.

SHINING TOGETHER

Every child is given the opportunity to flourish and succeed.

CELEBRATING SUCCESS

We recognise effort, progress and achievement.

Together we are a PRECIOUS team; we work hard to shine and gleam.
